

## Delegate Selection Notice

**Position:** ENGO Sector Members  
**Initiative:** CASA 2.0 Working Group  
**Organization:** Clean Air Strategic Alliance  
**Deadline:** Tuesday, June 28, 2016

### Background

See the attached document "*CASA's Potential: Clean Air Strategy and the Current Context*".

### Time Commitment

The working group is expected to meet monthly through the December 2016 CASA Board Meeting. A minimum of one additional day's work between meetings is anticipated. Additional teleconferences and sub-groups may be required as the group sees fit.

### Expenses & Honoraria

Honoraria and reimbursement of travel expenses are available in accordance with the CASA Stakeholder Support Policy.

### Selection Criteria

Working Group members should ideally possess the following attributes:

- Strong knowledge and expertise in air quality and climate change policy, and an interest in the interface between the two;
- Record of effective participation in CASA Project Teams, or other consensus-based multi-stakeholder processes;
- Current or past experience serving on the CASA Board is considered an asset;
- Support and endorsement of an environmental non-governmental organization active in Alberta with a demonstrated commitment to the environmental stewardship and promotion of air quality improvement;
- Willingness and ability to effectively communicate the work of the Working Group with the AEN Clean Air & Energy Caucus via periodic meetings, conference calls, and written briefs.
