

Legal Tools for a Healthy Environment:

A WORKSHOP FOR ENGOS

This one-day workshop is designed to help groups working in the environmental sector become more familiar with the legal tools available to them. Join lawyers from the ELC and Ecojustice for a vibrant discussion on topics including:

- Accessing information;
 - Petitioning the federal Commissioner for the Environment;
 - Navigating the judicial review process;
 - Small group discussions on real life scenarios...
- and much more!
