Recovery Strategy Feedback Questionnaire for Common Nighthawk, Olive-sided Flycatcher, and Canada Warbler in Canada

Please send your completed questionnaire by **May 11, 2015** to:

Environment Canada, 9250 49 Street, Edmonton, Alberta, T6B 1K5 Email: SARA.PNR@ec.gc.ca

To help us learn more about these species, please refer to the attached *summaries of the Recovery Strategies* or read the *full proposed Recovery Strategies* online:

http://www.registrelep-sararegistry.gc.ca/document/default_e.cfm?documentID=2728

http://www.registrelep-sararegistry.gc.ca/document/default_e.cfm?documentID=2729

http://www.registrelep-sararegistry.gc.ca/document/default_e.cfm?documentID=2730

1. Have you seen the Common Nighthawk, Olive-sided Flycatcher, or Canada Warbler in your area? If so, which ones?

2. Are there activities going on in your area that could benefit these species? If yes, please describe the activities and how they can help these species.

3. Are there activities going on in your area that could harm these species? If yes, please explain.

4. Please share any information you think we should include in these recovery documents to help make the strategies a success (e.g., the importance of these species in your community).
